Under the flood of the Christmas rush mail is Lee McKinney, 33, who has been working for the Antioch Township Post Office for over 10 years. Antioch Postmaster Roy Kufalk is pictured at the left.

ATH Students Take Honors

Antioch Township High School has just recently completed this year's honor roll list for the second six weeks grading period.

The list is actually comprised of two lists, the high honor roll and the honor roll proper. The high honor roll requires a student to have 18 points and no grade lower than a "B". To make the honor roll proper a student must have 16 points and no grade lower than a "C".

Due to the illness of one of the school's staff, the senior honor roll has not been listed. The senior roll will be determined at the end of the third six weeks grading period, it was reported.

Those making the high honor roll were:

JUNIORS: Cindy Brenna, Janice Church, Jane Edwards, Carol Lasco, Myrna Masek, Solveig Nelson, Beatrice Ott, Janet Polley, Richard Prose, Carol Sisson, Joan Stepenak, Judith Turner, Jane Wolff, and Edith Wolff.

Three juniors had a "20" rating: Janet Polley, Carol Sisson and Jane Wolff.

SOPHOMORES: Jerry Berke, Susan Bloom, Dean Denman, Roger Eberman, Ellen Enis, Marilyn Gras, Mary Grego, Betty Liddle, Wilmette Monnier, Marianne Smith, Stanley Sutherland.

Four sophomores had a "20" rating: Dean Denman, Marilyn Gras, Marianne Smith and Stanley Sutherland.

FRESHMEN: Sharon Camphouse, Gretchen Cardwell, Bruce Daigaard, James Edwards, Carol Frazier, Randi Hughes, Karen Jenrich, Susan Lindblad, John Murphy, Susan Polley, Wayne Sanders, Teryl Schneider, Philip Thiele, George Van Haecke, and Frances Willett.

James Edwards and Susan Lindblad were the freshmen with a "20". Those making the honor roll were:

JUNIORS: Jane Andersen, Sandra Cremin, Anthansa Galanopoulos, Marguerita Gillum, Albert Gruidl, John Hallwas, Kathryn Hahn, Katherine Kanka, Roy Rihimaki, Jane Strang, Katherine Tully, Verna Tuovavaara, Margaret Van Haecke, and Harleen Young.

SOPHOMORES: John Brady.

Dept. of Revenue Releases Sept. Sales Tax Amounts

City sales taxes collected in September on August tax liability grossed \$4,732,377 and county sales taxes for the same period grossed \$303,493, the Illinois Department of Revenue reported today.

The collection from 1,135 cities and 58 counties represent a tax of one-half per cent on retail sales and one-half per cent Municipal Service Occupation Tax in municipalities and parts of counties not in municipalities.

Gross collections from cities and villages were reduced by \$18,748, the state's four per cent administration cost. Payments made under protest totaled \$18,161, of which \$11,184 is included in the amount certified and \$6,977 is under injunctive order and withheld. The net amount certified is \$4,529,962.

Gross collections from counties were reduced by \$12,118, the state's four per cent administration charge. The net amount certified was \$280,838. County tax payments made under protest totaled \$1,370, of which \$833 is included in the amount certified but \$537 is with-

'Operation Santa' to Be Sponsored by Moose

This is most certainly going to be a "toyful" Christmas for the needy boys and girls in the Antioch area, if the public continues to support the Moose "Operation Santa Claus" campaign as they have in the first two weeks," stated Bob Avery, chairman of the Moose Lodge's civic affairs committee, the people of this area are responding wonderfully in this effort to make sure that Santa doesn't forget any boy or girl in this community.

In addition to the avalanche of toys, there have also been scores of letters to the Moose committee, complimenting them on this project, and who have endorsed the Toys of Needy Children campaign.

Moose Governor Carl Schlesser announced today that the following truck owners will donate trucks and drivers for the assembly and distribution of the toys collected: I & W Masonry, Peter Matteoni & Son and Laursen and Blackman.

Here are the locations of the toy depots where either new or un-

damaged used toys may be deposited: Antioch Moose, Main St.; Snow White Ice Cream Parlor, Main St.; Town for Men and Boys, 907 Main St.; Lyons-Ryan Ford Sales, 939 Main St.; A & P Food Store, Lake St.; Ben Franklin Five and Dime Store, Lake St.; IGA Food store, corner of Routes 59 and 173, and Ace Hardware, corner of Routes 59 and 173.

Many Moose volunteers, in addition to the members of the civic affairs committee, are busy sorting, classifying and wrapping the toys already contributed. The names of needy boys and girls in this area are being obtained from local welfare agencies.

Toys of Tots dance to be scheduled by the Antioch Moose Lodge for Saturday, Dec. 23, 1961. This is to give everyone a chance to participate in "Operation Santa Claus" to make sure that Santa doesn't forget any boy and girl in this community. The ticket of admission for the dance will be a Toy for a Tot.

Lions Club Accepts 1962 Slate Of Elected Officer Candidates

SURAYA BROOK, Cheryl Folbrick, Daniel Hamelberg, Dolores Horton, Shirley Reichenbach, Richard Ripley, Terry Starman, Judith Stoffel, Paula Weiss, James Wojcinski, and Barbara Zeman.

FRESHMEN: Robert Anderson, Kay Borst, Gay Bruhn, Susan Bushnell, Barbara Close, James Cogdill, Gayle Cummings, Gerald Dewar, James Effinger, Fred Fath, Carol Gerber, Douglas Hanson, Edward Heilbrander, Christine King, James Koppa, James Knirsch, Kathleen Lessard, Donald Mayer, Toni Rae Meier, Patrick Mongan, Mark Nelson, Walter Pleviak, Thomas Randall, Kathleen Schimmel, Wayne Slagle, and Virginia White.

JUNIORS: Jane Andersen, Sandra Cremin, Anthansa Galanopoulos, Marguerita Gillum, Albert Gruidl, John Hallwas, Kathryn Hahn, Katherine Kanka, Roy Rihimaki, Jane Strang, Katherine Tully, Verna Tuovavaara, Margaret Van Haecke, and Harleen Young.

SOPHOMORES: John Brady.

The Antioch Lions Club held its last meeting of 1961 Monday night at Lorenz's Smart Country House. Election of officers and the annual Christmas party shared honors for important business of the evening.

The slate of officers for 1962, as proposed by the nominating committee, was accepted and voted on unanimously. Jack Fields, president over his last meeting, appointed a Ladies' Night committee for 1962 as his final act.

The local civic group entered a discussion on the possibility of adding an ice skating rink and toboggan run at the swimming pool area. The addition, it was said, "would add to the general year around appeal to the swimming pool by making it a winter and summer sports center." The proposed plan was tabled pending a more detailed investigation.

Santa Claus then made a belated arrival and the club relaxed from the general business meeting for their Christmas party.

The new officers to be installed at the first regular meeting in January are: Dr. Albert Bucar, President; Preston J. Reckers, Jr., Vice President; Ralph Gresens, 2nd Vice President; Leonard Roblin, 3rd Vice President; John B. Fields, Past President; Marvin Heath, Secretary; Dick Radke, Treasurer; William Vos, Tail Twister; Bill Seemann, Lion Tamer; Maurice Loven and Clarence Shaw, directors 1 year, and Bernard Osmund and Tom Haviland, directors two years.

Ant. Businessmen Sponsor Program

Four different movies will be presented at the Antioch Theater next week for the selection of both adult and child. The event is jointly sponsored by 25 local merchants and the Lake County Jaycees.

Any one (child or adult) is per-

mitted to use the free tickets presently being distributed by the 25 local merchants and Junior Chamber of Commerce.

This program is effective December 17 through the 23rd.

Antioch Prepares for The Season's Holidays

Antioch Business Ends Corporation

Secretary of State Charles F. Carpenter recently announced the dissolution of the Antioch Landscaping Service corporation.

The Correspondent for the corporation is Mr. Clinton Thompson, Attorney at Law in Antioch.

Antioch News to Print Special Season Issue

The Antioch News, adopting a special Christmas greeting section for the next issue, is currently offering free ads to students and housewives alike for an indefinite period of time.

Many of those placing an ad in the Antioch News' classified section, have called stating that they were simply amazed at the rate of speed it required to achieve outside interest in their ad.

The current issue of the Antioch News has again gone over the 5,000 copies mark, sending out the news of our town and community's people to more than average distribution centers.

N. I. C. Group Holds Events

By Mrs. Pearl Kapell

If you like fun, fishing and/or fresh air, you'll have a chance to get all three at the ice-fishing derby to be held by the Northern Illinois Conservation Club on January 14.

The derby will be held on the south end of Channel Lake, and free parking will be provided for holders of derby tickets. There will be gifts for the lucky fisherman in many different categories. And if fishing doesn't appeal to you, contests and games for every age group will add to the fun. Think you can chop a hole in the ice faster than anyone else? Well, here's your chance to prove it. Even the family dog can participate—there'll be a dog-sled race, too. No dog entered unless accompanied by his master, please.

The Conservation Club plans to make the ice-fishing derby an annual event. The club was organized in February of 1961 by Richard Waters, the current president, and now has over 100 members. It is the aim of the club to work to preserve our God-given heritage of woods, waters and wild-life for future generations. One of the first projects members worked on was the gathering of water samples from various lakes for pollution tests, in co-operation with the Illinois Conservation Department members are at present busy preparing large trash cans to be placed on the ice on lakes for the use of ice fishermen.

The annual city and township home decorating contest will be sponsored again this year by the Civic Affairs Committee of Women of the Moose No. 735 and Loyal Order of Moose No. 525, Antioch.

Prizes will be brass door knockers, with first, second and third prizes being awarded.

The decorations will be viewed on Wednesday evening, Dec. 27, from 7 to 8 p.m., with three prominent citizens of the Antioch area acting as impartial judges.

The range of entries is limited to Antioch Township. Those wishing to enter their homes may do so by sending a post card to Civic Affairs Chairman, Mrs. Robert Avery, Rte. 3, Box 814, Antioch, or by phoning her co-chairman Mrs. George Schroeder at 388-2763. Information needed is the specific location of your home, by street, house number, subdivision, etc.

Entries must be in by Dec. 22 and the prizes will be on display in the window of the Antioch News office.

Congressional District, comprising Lake, McHenry and Boone Counties, pointed out that "Federal bureaucracy and Federal control of local education would accompany any Federal Aid program." Senator McClory added, "I am against centralized authority in Washington, especially of our educational prerogatives. We have done a substantial job of supporting our own educational system in Illinois, and we should not now be called upon to support the schools of other states which have failed to demonstrate the desire or inclination to help themselves."

A one-time school teacher himself, Senator McClory expressed support for an expanded exchange student program.

Icy Winter Blasts Topple the Weather Readings to -3

With winter at their backs, constantly whistling through their coats and about their reddened ears, Antioch residents busily prepare for the Christmas holidays.

Scurrying beneath the candy canes on the Antioch streets while merrily listening to the Christmas carols being played over courtesy loud speakers provided by the Antioch Lions Club, residents hurry into stores to checkmark their Christmas lists.

Roy Kufalk, Antioch's official weatherman, reports that the community braved over 2 inches of rain, snow, sleet and glaze in the last few

days. Wednesday morning, Dec. 13, it was reported that the wintry weather dipped to 3 below zero before the sun rose. This, Kufalk added, was the lowest point reached during the year.

In his duties as Postmaster, Kufalk also stated that roughly 25,000 letters had been processed through the office's canceling machine in the last few days, this is the largest amount of Christmas mail ever sent out in the area. The parcel post mailing was also listed as the heaviest ever. Kufalk attributed this to the added mailings of new industry in the area.

But the biggest and most successful business seems to be Santa's. Hundreds of boys and girls from Antioch and the surrounding areas have poured into the village between 7 and 9 p.m. daily and between 10:30 a.m. and 4:30 p.m. on Saturday to talk to the jolly old gentleman who is stationed at the multi-colored DX station on the corner of Lake and Main streets.

As time rolls toward the eventful day, the days seem shorter, the nights colder, the stores brighter and warmer, and most of all, the people happier.

From all apparent signs it appears that this Christmas will be a happy and joyous one in Antioch.

Girls Rescued From Water

Two visiting Chicago girls, Barbara Haskins and Sue Corvin, both 16 years old, were almost drowned at Lake Catherine Sunday, Dec. 10.

The girls, who were walking on the thin ice of one of the small channels, suddenly fell through the ice and into the chilly waters.

George Anderson of Grand View Subdivision, who was seated in his living room and noticed them out of the window. He ran immediately to his concrete pier and plucked the girls from the water as they were foundering nearby.

He then took them inside where Mrs. Anderson gave them dry clothes.

Antioch Demos Pick Officers

The regular Democratic Club of Antioch Township held their meeting on Thursday, December 7, 1961 and election of officers for the ensuing year.

Officers are as follows: Mark Turner, president; Jerry Parsons, V. pres.; Margaret Wagner, treasurer; George Anderson, sgt. at arms; Earl Donaldson, recording sec'y; Sophie Radakovic, corresponding sec'y.

A standing vote of thanks was given to Mr. Ed Drisch, president and the other officers for their efforts and hard work. Refreshments were served. Guests were: Mr. Ray Jadrich, county chairman and Mrs. Rita Jadrich, county chairwoman.

McClory Protests Against Federal Aid to Education

In two recent public appearances before the Zion-Benton Township High School Faculty at Zion, and the Red Oaks School District PTA, at Highland Park, Senator Robert McClory spoke out against Federal Aid to education. He pointed to the Kennedy claim that our nation needs 60,000 new classrooms per year during each of the next 10 years. However, Senator McClory declared that "approximately 70,000 classrooms per year are now being constructed without any federal aid and this will more than cover the claimed shortage."

Senator McClory, who is seeking the Republican nomination and election to Congress from the new 12th

EDITORIAL

Antioch's Parking Situation

Last week on the front page of The Antioch News we reported the expansion of a shopping center in Lindenhurst. The expansion was exceedingly large as it incorporated several more stores. But the biggest asset to Linden Plaza is, of course, the amount of space that will be made for parking. The new parking area will provide a paved, lighted and landscaped area for more than 600 cars.

This, in our opinion, should be proof enough to our local merchants and town board that the constant threat of shopping centers is actively alive here.

We have pointed out in recent editorials that we feel that the parking area, gutted and pitted, and even dangerous for moving autos, west of Broadway, should definitely be paved and made available for the shoppers in the Antioch area.

Of course, we are in favor with the businessmen's project of the newly proposed street running from Depot to Park Avenue and east of Main. But that street's completion requires time, valuable time. It may be many months before we can hope to have that avenue of parking open to the public.

We feel that it would require little time to blacktop the present parking area west of Broadway.

It is our opinion that the job of blacktopping this area would consume, perhaps, a few weeks' work.

If the Village Board feels they haven't the complete authority to have this job completed for spring operation, maybe a group could be formed from the merchants and the board to investigate this matter and at least get something started. Why this has not been done up until now becomes a perplexing question.

When and if this small project is completed it is our opinion that the local merchants and businessmen can look forward to increased volume shopping in Antioch.

As it is presently, the parking area is no more than a treacherous lot of gravel with gaping holes and pits, some almost a foot deep.

This area is a potentially dangerous spot to expect people to park their cars in. Aside from causing damage to cars—shock, tires, springs; there is always the possibility of a car, upon hitting one of these holes, veering into a pedestrian walking on the lot.

We suggest that Antioch, being generally a beautiful well-kept village, deserves more than a blighted sand-lot area for parking. And, above all, that the citizens of our community are entitled to more consideration in this matter.

Along The Way

with
Annie Mae

Just licked the last stamp on my Christmas cards and I couldn't help wondering if you have any of the problems I run into every year.

First of all, there are the names of people on your list that you haven't seen in years; so you decide to drop them because your list is getting out of hand. Sure enough those are the ones you get a beautiful card from (along with a personal note), so back on the list they go! But of course the next year they don't send one to you, because you omitted them the year before, and there the vicious circle begins.

Next are the new neighbors or new acquaintances; you always remember them after your cards are all gone, so out you go to buy more. Incidentally their cards are always the ones you receive first (and because they thought of you first, you feel like a heel).

Then come the Vada's or Zenda's or the like. These poor folks aren't aware of it, but because of the alphabetical order of my list, by the time I get to their names all the nice printed cards are gone and so I must hurry and by a few extra again. Someday I'm going to get smart and start my list backward.

As long as we're on the subject of

cards, be sure and use your Christmas seals, it's a very worthy cause. Did you know that our county has one of the nicest T.B. Hospitals in all of Illinois?

The Holiday entertaining got a running start last Wednesday, when Joan Larson and Janet Brook hosted a fabulous brunch at Smart's Country House. The fairytale Christmas decorations were a perfect setting for more than fifty beautifully attired women.

Phyllis McMillen is wondering how they talk Jim into doing dishes at the hunting lodge. She says he doesn't even know where the dishpan is at home.

Picture of the week (If I only had a camera). The 8 foot 4 inch Santa at Fay's Toys, walking Fay's dog in front of the Scout House in full dress, beard and all. Quite a sight to see on a snowy day!

Murph Toepper and Jim Krieger stand alone! For you see Murph has suddenly become a blonde and Jim a bleached blonde. Nuff said!

Those naughty Lions boys really goofed last Monday when they forgot to tell Santa where they would be. I understand they still came out all right, though, with Bill Brook left paddling his own canoe! (Stolen from Dave Davis) The only way to tie a teen-ager down is with a telephone cord.

Don't be so quiet out there I say, shout out that news Along the Way.

Annie Mae

NORTHERN ADVISERS—Four of the 20 members of the School Administrators Advisory Council to the College of Education, Northern Illinois University, get together during lunch at the Council Hall its first meeting recently. The four are: Dr. Ralph E. Clebaugh, superintendent of Arlington Heights Schools; Albert L. Dittman, superintendent of Antioch High School, Antioch; Dr. Earl W. Wilkes, superintendent of Maine Township High School, Park Ridge, and Leon J. Lundquist, superintendent of Crystal Lake Schools.

JERE OWNBY, assistant personnel director of the Victor Chemical Works counsels Antioch Township High sophomore Paula Weiss, Route 4, Antioch, and senior sophomores Barry Lewin, 6230 Kenmore, Chicago, about career opportunities in the chemical industry during the recent chemistry career seminar for high school students held at the Sherman Hotel.

The
American
Experience

By Ray Puechner

If Benny Goodman is the "King of Swing" and Wayne King is the "Waltz King" and Crazy Otto is the "King of the Soybean Pit," then certainly Hugh Troy must be dubbed "King of Practical Jokers." Of course, the practical joke has long been cultivated as a traditional American pastime numbering among its practitioners and admirers such dignitaries as Abe Lincoln—his favorite being too obscene to repeat in a small-town weekly. But the man who can lay just claim to having brought the practice of practical joking to its apex is Hugh Troy.

Hugh Troy is the man who bought a park bench, which he and a friend placed in Central Park. While removing it he was naturally arrested for stealing it until he produced the bill of sale before an irate police captain. Hugh Troy is the man who led a crew of his friends dressed as workmen to Fifth Avenue where he set up Men at Work signs and proceeded during the course of the day to dig a good-sized hole in the street. At the end of the day, he and his "workmen" removed their signs and left. Hugh Troy is the man who made a mock-up of the ear which Van Gogh cut off for a prostitute" out of chipped beef. He smuggled this into the Metropolitan Museum of Modern Art during a Van Gogh exhibit. His "ear" outdrew all other exhibits.

Hugh Troy is supposedly also the man who fostered the "Miracle of the Horses" in Venice. With no streets in Venice, as you know, it would be rather difficult for a horse to reach St. Mark's square. Exactly what Hugh Troy said to himself. So he packed an old suitcase full of what are referred to by the British as road apples and proceeded in the dark of night to the Square by gondola. There he scattered the contents of his suitcase. The next morning the "Miracle of the Horses" was the talk of all Venice. A good

Miss Elizabeth Olenik to Wed James C. Smith

The engagement of Elizabeth Anne Olenik has been recently announced by her parents, Mr. and Mrs. John J. Olenik of Cleveland, Ohio, to James Callan Smith, who is the son of Mr. and Mrs. John J. Smith of Antioch.

The bride-to-be is a graduate of Beaumont School for Girls and St. John's Hospital School of Nursing in Ohio.

The future groom is a graduate of Champion Preparatory School, Prairie du Chien, Wis., and John Carroll University. He is attending Stritch School of Medicine at Loyola University in Chicago.

June 23 is the planned date for the marriage. The couple will then reside in Chicago.

Elizabeth Olenik

Meetings & Events

RESIDENTS' SON

Don Heath, of Venice, Fla., a former Antioch resident, has been selected as one of six contractors to participate in a \$100,000 "Parade of Homes" which will be conducted by the Chamber of Commerce of Venice.

These homes must be opened for public display by February 1, 1962, and may not be offered for sale until after April 30.

Don is the son of Mr. and Mrs. Leslie Heath, 596 Highland Ave., and brother of Marvin Heath, local contractor.

Don, his wife, Adeline, and two children moved to Venice five years ago.

WOTM PLANS PARTY

The Women of the Moose, Antioch Chapter 735 held their enrollment night at the Moose Home on Dec. 7, with 48 members present. Enrolled were Beverly Nokon and Solbig Thode, Social Service Chairman, Janet Maleski and her committee provided entertainment and refreshments. The entertainment came in the way of Bill Lahti playing Christmas carols on the organ.

The publicity committee under the chairmanship of Mrs. Frank Toman will have their Christmas party in the home of Mrs. Jack Sampayo at 6:30 on Dec. 13. Pot luck supper will be served and grab bags offered.

A Christmas party for Children of the Loyal Order and WOTM will be held at the Moose Home, Dec. 17, between 2 and 5 p.m.

Dec. 18 is the date set for an officers' meeting in the home of Mrs. Mildred Stronger.

STATIONED IN CALIFORNIA

Marine Cpl. Wayne B. Berg, son of Mr. and Mrs. Eugene Berg of Route 1, Lake Pettie, Antioch, is serving with the Third Marine Aircraft Wing at the El Toro Marine Corps Air Station, Santa Ana, Calif.

The wing's helicopters, transports, and jets provide air support for infantrymen of the First Marine Division at nearby Camp Pendleton, Calif.

Annabelle Hribar is Married to James J. Darrow of Grass Lake

In a mid-afternoon ceremony December 2, in Holy Family Church, North Chicago, Miss Annabelle Hribar and Mr. James J. Darrow were united in marriage by Father Frawley.

The bride was given in marriage by her father in the double ring service.

Parents of the bride are Mr. and Mrs. Lester M. Hribar of Grass Lake and the groom's parents are Mr. and Mrs. Arch Darrow of Seymour St., North Chicago.

Miss Hribar chose a gown of silk bombe, fashioned with an oval neckline and fitted bodice trimmed with re-embroidered Alasian lace, three-quarter length sleeves, and a bouffant skirt falling to a chapel sweep train. Her bouffant veil was caught to a pearl crown and she carried a cascade of white roses.

Maid of honor for Miss Hribar

was Miss Patricia Jesse, whose gown was of red taffeta with a lace jacket, complimented by matching shoes and veil. She carried a cascade of red and white pompons. In similar attire were the bridesmaids, Miss Violet Hribar and Miss Carol Hribar, sisters of the bride.

Serving the groom as best man was Mr. Neenan Cloe and ushering were Tom Brean and Tom Griffen.

Miss Pamela Thompson was the flower girl and ring bearer was Russell Dullum.

After a reception for guests at Pasadena Gardens, the couple left for a honeymoon trip to Wisconsin. The former Miss Hribar is a graduate of Antioch High School and Mr. Darrow graduated from North Chicago High School.

The couple are now at home at 1119 Park Ave., North Chicago.

Wall-Eye Yanked On Bamboo Pole

A 5 lb. wall-eyed pike measuring 22 in. long and 12 inches around the belly, was caught in Lake Catherine Nov. 26, in the afternoon.

The fish was caught by Bob Coombs who has a resort home in Grand View Subdivision. Coombs used an ordinary bamboo pole and a minnow for bait.

Along with Coombs in a rowboat was Joe Konzny.

It was reported that pike are very seldom caught in Lake Catherine but their presence there was attributed to the Wisconsin flood of 3 years ago.

The Chicago Motor Club reminds drivers that following the vehicle ahead too closely leaves little room for safety. The recommended following distance under ideal driving conditions is one car length for every 10 miles an hour speed. If roads are slippery, traffic is heavy, or visibility is poor, a much greater distance is required for maximum safety.

COWS GO TO DENTIST, TOO

A new dental technique for dairy cattle has been developed for those whose teeth have been worn down to mere stumps, making it almost impossible for the cows to eat, says a recent article in Hoard's Dairyman.

A veterinarian mixes a cement shaped like the cow's teeth. In simple terms, the cow gets a new set of incisors.

Until tooth capping was introduced by a Nebraska dentist, Dr. Ward Newcomb, certain conditions made mature cattle worthless within three years. He designed eight types of stainless steel crowns for different sizes and shapes of teeth.

Then he tested the crowns with cattle for over a year before releasing his discovery. During a three-year experimental period, there was little wear on the crowns.

Sand in sandy pastures or acid from beet pulp diets may completely wear teeth down. Some people claim that cattle with capped teeth increase in weight and milk production.

The idea is going to be studied in more detail by University of Illinois' veterinarians during a five-year experimental program. They plan to cap one group of 7- and 8-year-old cattle with worn teeth and leave another tooth-worn group uncapped. Through this controlled experiment, they hope to find out how effective the capping is.

New Banana Cream Pie

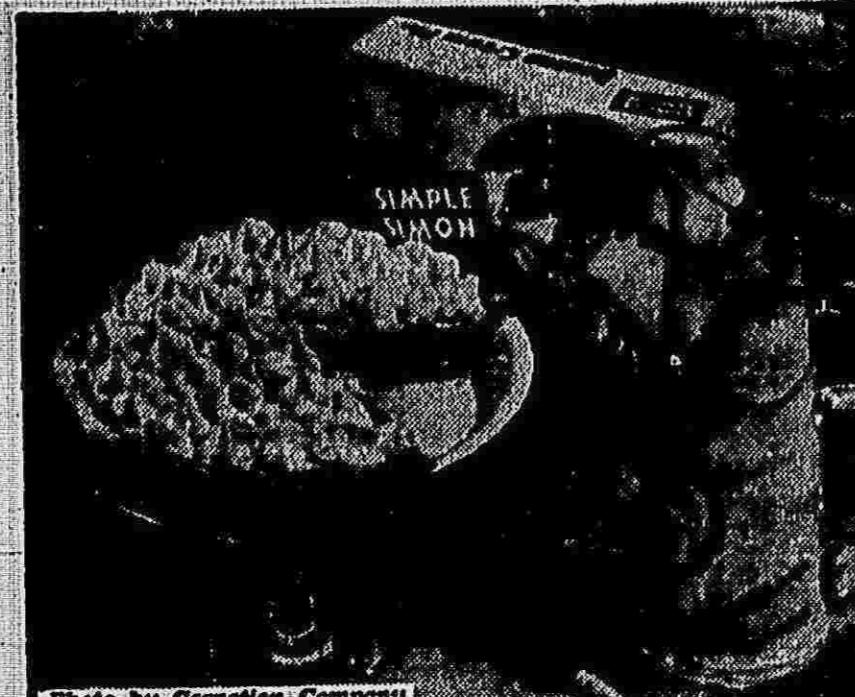

Photo by Carnation Company

Banana Cream Pie, the latest addition in the Carnation Company's frozen cream pie line, is an ideal dessert for the warm weather. Smart homemakers keep a good supply of these pies on hand for lunches, suppers, and at snacktime. The banana filling has a "real" banana flavor because it is made with fresh frozen bananas. The smoothness of the filling complements the crispness of theaky, tender pastry shell. Creamy rosettes top the pie adding a pretty and festive appearance.

Other Simple Simon frozen pies include chocolate, lemon, butterscotch, coconut and strawberry cream pies. Every one is deliciously flavored, and particularly refreshing during the summer.

No preparation is needed with Simple Simon cream pies. All you need do is let them defrost. Choose whichever method is the most convenient... forty-five minutes at room temperature, one to one-and-one-half hours in the refrigerator, or for a frosty dessert, let the pie stand just fifteen minutes at room temperature.

2 miles West of Antioch on Rt. 173

Death Notices

ALEXANDRIA DIBBLE

Mrs. Alexandria (Alice) Dibble, Oak Knoll Drive, Lake Villa, 50, died Saturday in Lake County General Hospital after a brief illness.

Mrs. Dibble was born Feb. 14, 1891 in Chicago and lived in Fox Lake and McHenry before moving to Lake Villa 16 years ago.

She was preceded in death by her first husband, Jeremiah J. McCarthy and her late husband, Arthur Dibble.

No close relatives survive.

Services were held at 1:30 Monday afternoon at the Strang Funeral Home with the Rev. Gerald Robinson of the Lake Villa Community Methodist Church officiating. Burial was in Home Oak Cemetery.

FANNY DUNN

Services were held Tuesday afternoon at the Strang Funeral Home for Fanny Dunn, 67, of Felter's Subd., who died Saturday morning in Victory Memorial Hospital, following a three week illness. The Rev. Wallace Anderson of the Antioch Methodist Church officiated, with burial in Home Oak Cemetery.

Mrs. Dunn was born May 2, 1894, in Browning. She moved to Rock Island in 1924, to Maywood in 1932, and to Antioch in 1948.

On Sept. 10, 1913, she was married to Vernon Dunn, who is now a retired railway mail clerk. Also surviving are a son, Harold V. Dunn,

and a daughter, Mrs. Robert (Dorothy) Lindblad, both of Antioch, and three grandchildren.

THERESA LEWIS

Mrs. Theresa Lewis, 86, lifelong resident of Antioch died at 12:30 p.m. Monday, Dec. 11, at the home of her daughter, Mrs. Elmer Herron, of Salem, Wis., after a short illness.

Mrs. Lewis was born Nov. 8, 1875, in Antioch Township and resided here all her life, until going to the home of her daughter two years ago.

She was a member of the First Church of Christ Scientist, and was affiliated with the church for over 40 years, serving as a reader, librarian and Sunday School teacher.

Her parents, Bernard and Blanca Yopp, were early settlers in the Grass Lake area and operated a hotel on Bluff Lake for many years.

Alexander Lewis preceded his wife in death on Sept. 22, 1824. Also, one son, David, and nine brothers and sisters preceded Mrs. Lewis in death.

Surviving are the daughter, Mrs. Roberta Herron, and nieces and nephews.

Services will be held at 1:30 p.m. today (Thursday) at the Strang Funeral Home with Gertrude McNamara as reader; burial in Hillside Cemetery. Friends called after 3 p.m. on Wednesday.

Antioch Sequoits Battle Down to Defeat

"I Don't Forget Defeats," Says Coach Larry Leon

By Jay Nash

"Over-all speed in the first half of the game beat us," said ATHS Basketball Coach Larry Leon after suffering a bitterly stingy and hard-fought defeat at the hands of the Grayslake Rams.

Leon attributed Grayslake's spread zone for the allowance of timely Sequoits shots. Most of the shooting was done by Kubicki, who has a nice pump shot, especially effective from the side. Kubicki, who is generally not a fast court man, played a deliberate and well-measured game, taking his shots when he could. The only probable reason why Grayslake did not press him closer was that Ozga, Lang and Pleviak, who did not appear on court until the second half, would have been wide open.

Ozga's game seemed improved. He only shot when there was the slightest chance of making it. His rebounding reached proportions of exceptionally good ball-handling. It speaks well of him to note his extra effort in the contest.

Lang fought for rebounds probably harder than ever before. He proved to be more than what Grayslake defenders expected of him.

Coming into the game like some sort of dervish let loose, in the second half, Joe Pleviak scored point after point in quick succession. This probably came as a surprise to Coach Leon who has played this boy irregularly. Perhaps we ought to see more of Joe in there, Coach. Or were you just hot, Joe?

Krieger, one of the tallest boys on the squad, now that Denny Pogose is out of action for a while, was pretty sluggish. He seemed somewhat confused under the Grayslake basket and could have fought much harder, it seems, for those very important rebounds. Perhaps this can be excused as a bad night which all players are bound to have once in a while.

Jim Brownlee, who played little in the second half, still looked like a real cool-headed player, calling the shots, handling the feeds and setting up the plays.

The big bad boy of the game was, of course, towering Don Hawkins of Grayslake at 6'6. Hawkins, who in my opinion could be an exceptional ball player and potential college material, limits himself with apparent bursts of emotional temperament, which is a definite handicap to his team no matter how many points he scores and he did score 33. Hawkins' reputation as a poor sportsman preceded him to the game and his angry antics came as no surprise to Coach Leon.

After all is said and done, I think we can be justly proud of the Sequoits squad. Trailing the Rams by 20 points at one time in the game, they refused to say die and their last minute rally in the last half with only seconds to play was one of the finest tributes a team could pay to the sport of high school basketball.

When asked about what he thought of the return match with Grayslake, Coach Leon stated "I don't forget defeats and I don't take them lightly." And that statement exemplifies the spirit of his squad last Friday night. You have a swell bunch of boys, Coach.

This Friday, Dec. 15, the Sequoits take on last place Lake Forest, who will be up for a win after a string of 3 losses. Their 6'10 center should be somebody to reckon with.

Round Lake Hits Ela-Vernon 68-48

First Division Round Lakers swept their latest win, Friday, Dec. 8, from last place Ela-Vernon 68-48. The Round Lake win placed them in a deadlock tie with Grayslake and Warren for first place in the Northwest Suburban Conference.

The first quarter of the game ended in an 8-8 tie but the Panthers shot ahead by the half leading with 29-20 score.

Ela-Vernon Bears fought back in the third quarter closing the gap 37-34. However, the Panthers increased their gained points late in the quarter by scoring 49-36.

The closing quarter saw Round Lake smash through an additional 19 points, while the Bears tallied only 12, leaving the Panthers with a hefty 68-48 final score.

Roy Johnson and Clyde Diana, both Round Lake scorers, utilized their proven agility on the court by excelling in rebounds for their squad. Mike Sarocca led the Panthers to their win by scoring 22 points.

1930 Grant Grider is Dead; Recalls Famous Old Action

Punt, Pass & Kick Mites Take Honors

Larry Ryan of Lyons and Ryan Ford dealers here in Antioch recently reported that the Punt, Pass and Kick program held here this fall had reached its national category.

Although none of the Antioch boys registered for the win, four other states were represented. They were Ronald Zenn, 6, of Detroit, Gary Carter, 7, of Fullerton, Calif., Pete Saco, 8, of San Francisco, Greg Schofield, 9, of Antigo, Wis., and Joe Brandt, 10, of Bartlesville, Okla.

These boys, their fathers and sponsoring dealers will go on a "Tour of Champions" to the NFL Championship game and be guests at the White House.

Local Girl Swims In Northern Heat

Northern Illinois University Women's Recreation Association extramural swim team was host to a seven-school sportsday last Saturday afternoon, Dec. 9.

Sue Duha, a 1959 graduate of Antioch High School, daughter of Mr. and Mrs. Robert F. Duha, par-

ticipated in the swimming event. Miss Duha is a sophomore student at Northern and is majoring in elementary education. In her spare time she works as a life guard and swimming instructor at Northern's pool.

In its season's opener two weeks ago, Northern tied Beloit College with 54 points, 18 behind winner Michigan State.

Other players of that 1930 team were Dan Werhan, Earl Burdach, Harold Juul, Kenny Jorgenson, Jerome Gurewitz, Harold Lexau, Leon Verjinske, Art Schuenemann and Sven Liljeqvist. Elmer C. Rich was assistant coach and Truman Gerretsen was manager.

Louis Orr, the referee, stated,

"No one laid a hand on Daly, it truly was a perfect play."

This Season's Golfers Suffer Great Number of Mishaps

So far, nuclear fallout doesn't appear to be half as dangerous as raining golf balls.

A nation-wide study just completed by the Institute for Safer Living of the American Mutual Liability Insurance Company, indicates that more than 15,000 players, caddies and workmen have suffered disabling injuries this year as a result of golfing accidents.

As may be expected, the ball itself is the most frequent cause of injury. Traveling at a speed of better than 250 miles per hour, it can deliver a knock-out blow to any person in its path. The Institute estimates that well over half of all golfing injuries this year were caused by balls driven by "trigger happy" players.

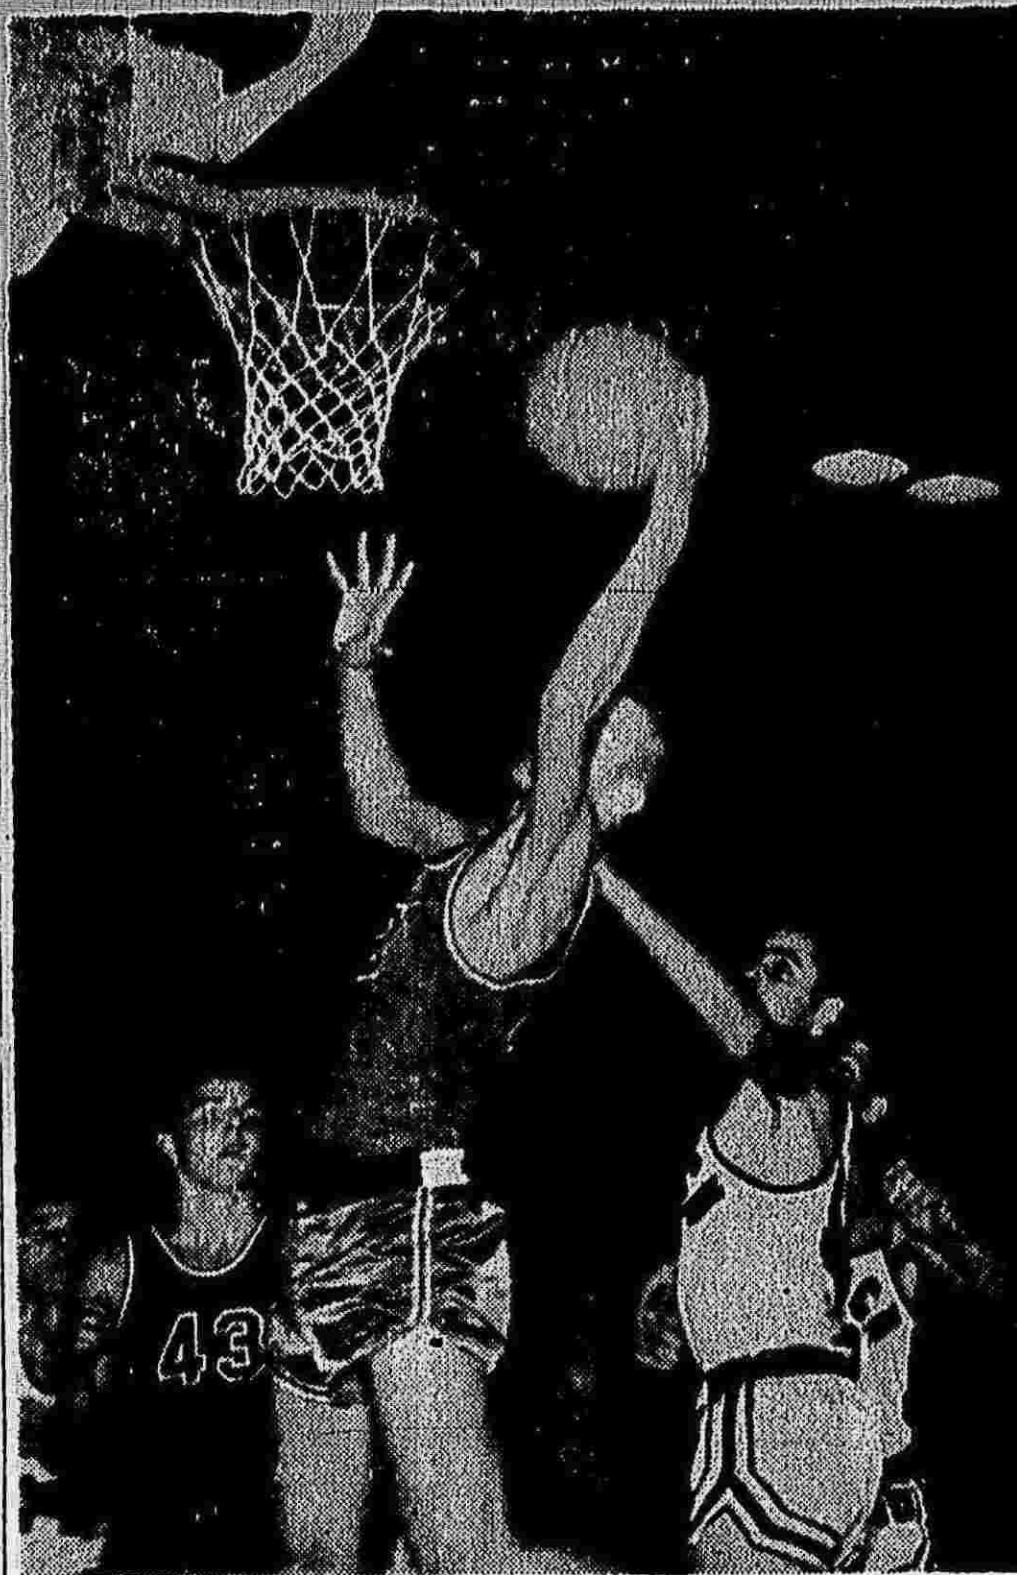

Lightning, long considered a major hazard to golfers playing on open courses, killed an estimated

tims were players themselves, while caddies received about 25 per cent of the injuries, and grounds keepers or other workmen about the same number. Many persons were injured by swinging clubs. They simply got too close to a fellow player while his club traveled in an arc at a speed of 200 miles per hour.

Heat prostration was the third most frequent hazard, reflecting in many cases more zeal for the game than common sense in avoiding the sun's rays. Overexertion, also a contributing cause to heat prostration, claimed the fourth greatest number of victims many of whom were older golfers.

Lightning, long considered a major hazard to golfers playing on open courses, killed an estimated

News of Lakes Sports

A sharp shooting Grayslake player streaked past Antioch defenders to score this jump basket. The crucial game saw Grayslake win in the closing seconds 84-81.

Grant Five Win Over Wauconda

The Grant Bulldogs, now tied for fourth place in the Northwest Suburban Conference with Antioch, ended a three game losing streak by beating Wauconda 52-47. The basketball contest was held Friday night, Dec. 8, at Wauconda.

At the end of the first half, Grant held onto an 8-point lead 34-26, but the third quarter saw Wauconda's Don Miller, Gordie Hughes and Dan Sutherland tie up the score 42-42.

Grant cagers Bill Leonard broke the tie up with two fast jump shots 46-42. Miller and Hughes, Wauconda's set shooters, tossed in 2 more baskets but Grant edged past them again with a tip-in by Leonard 48-46. Joe Savage iced Grant's score by another basket early in the fourth quarter, 50-48.

During the last five minutes of the game, both teams attempted to work the ball into scoring position but were unsuccessful.

Dick Kazlausky, with only 25 seconds remaining in the game, scored a layup shot for Grant and Don

Antioch Loses To Grayslake By 3 Points

By Jim Bill Cain

Despite a valiant try in the final quarter Antioch's "fighting Sequoits" lost a tight contest, 84-81 to Grayslake's considerably taller Rams. The Rams' height advantage helped them to gain a 2 to 1 advantage on the boards.

The ball game started with Grayslake's blazing fast break giving them an early lead and making the Sequoits look like a soft touch. Big Don Hawkins, who scored 33 points for the game, Bob Pickett, who tallied 20, and Jim Stone, who hit for 20, led the attack off the fast break. The Grayslake five took an easy 44-28 first half lead.

During the third quarter the Sequoits got their bearings and started to work on Grayslake's large lead and the hot shooting of Joe Pleviak helped cut the lead down to 12 points when the quarter ended. In the fourth quarter the Sequoits proved the old saying that the best offense is a good defense as they had their best scoring quarter with 27 points and their best defensive quarter holding the Rams to 18 points. However, it wasn't quite enough to win the game.

It might have been enough if the referee had not changed a decision in the fourth quarter which would have put Hawkins out of the game.

The game was a real team effort with four men hitting double figures. Bill Ozga did a fine job and tallied 13 points, Lang tallied 15, Kubicki 19, and Joe Pleviak who only played about one quarter pumped in 17 points.

Antioch in many ways outplayed the Grayslake five and definitely out-shot them, shooting 50%, most of the shots paced 10 to 20 feet, to Grayslake's 47%, with most of their shots coming right near the basket.

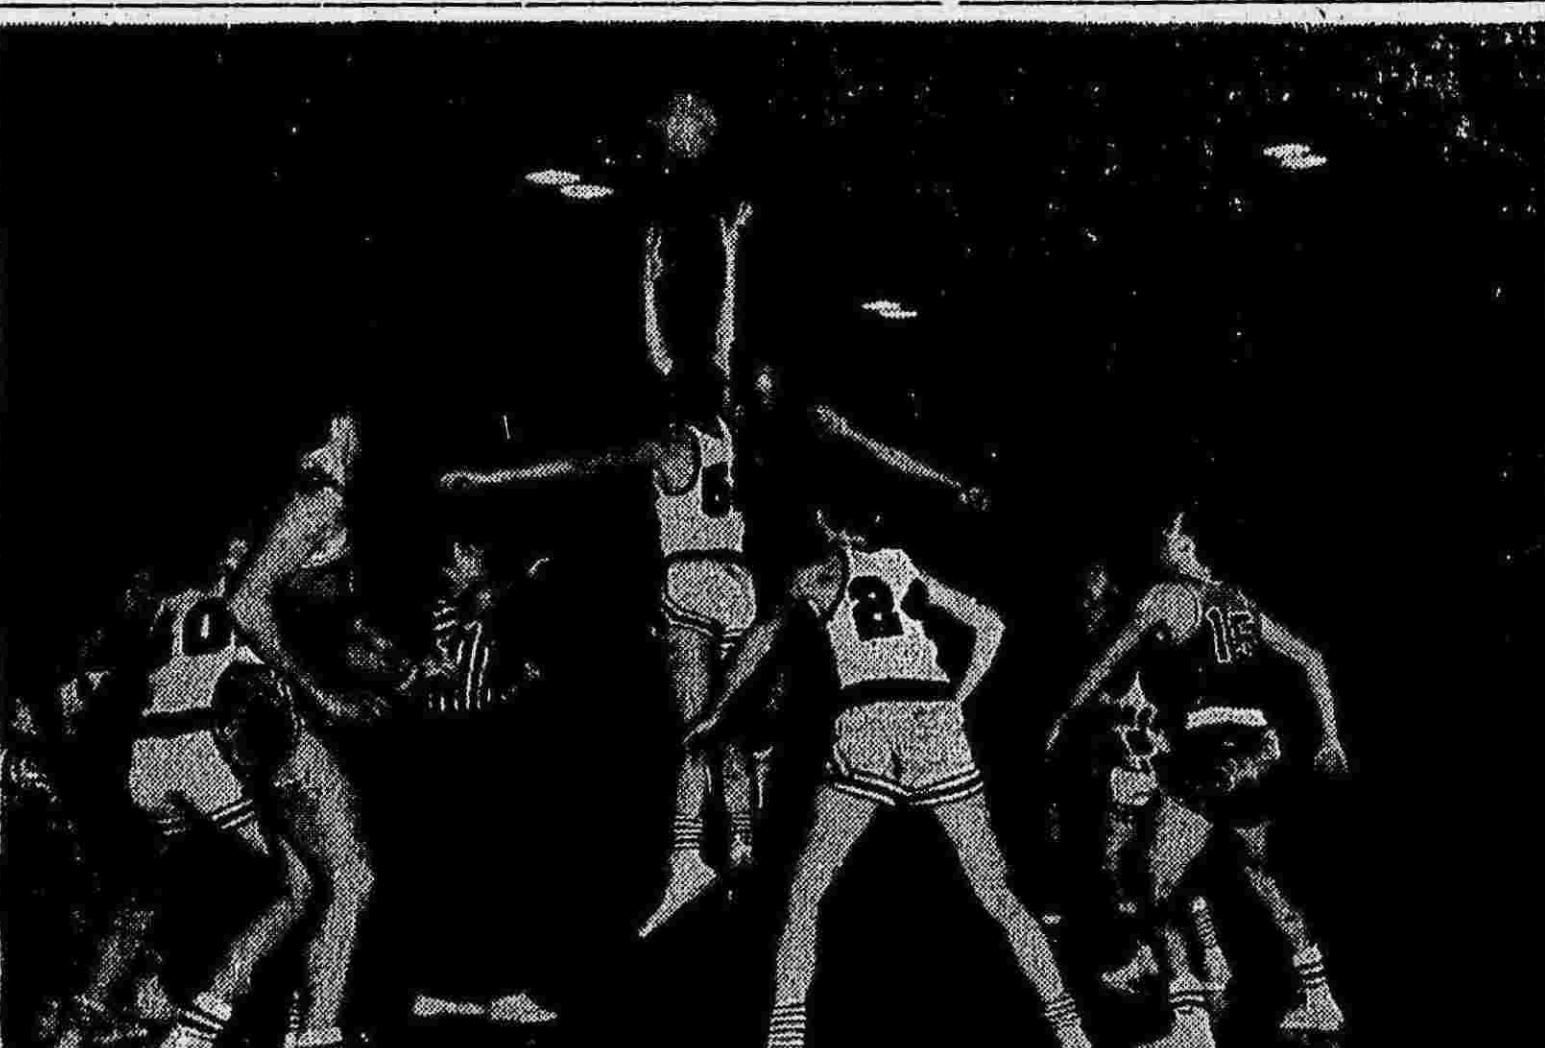

Antioch meets Lake Forest this Friday at home, and this promises to be an excellent game. Let's all come out and support the team.

First Win for Lake Forest

Lake Forest, after four defeats by basketball opponents, finally scored its first victory over Hebron last Saturday night. They whipped the non-conference Hebron 53-33.

Metzger added a free throw to end the night's scoring 50-47.

"Heads up!" Leaping for the ball are two determined boys from Antioch and Grayslake. To the left is big Don Hawkins who scored 33 points against Antioch last Friday night.

Salem Tumbles Down Union Grove and Takes 1st Place

Salem's high flying Falcons took over sole possession of first place in the Southeastern Conference Friday with a 62 to 55 win over Union Grove. Greater accuracy from the free throw line finally was the margin of victory for the Falcons as both teams were even from the field with 38 points.

Salem had a slim one point lead at the end of the first period 15-14 and then moved to a 29 to 22 advantage by the end of the first half.

An inspired Union Grove squad opened the last half and poured in 17 points to come within a single marker of the Falcons, with a 40 to 39 tally. Union Grove continued their "hot streak" and pulled into the lead at the middle of the fourth quarter 49-46.

The Salem B squad won over

Union Grove 29 to 26 in the evening opener.

ALL ABOUT BABIES*A Public Service of the National Baby Care Council***THAT "PERFECT" MOTHER —**
By Rosemary Murphy
Mrs. America of 1961

In my earliest days of motherhood, whatever good old-fashioned common sense I had, I managed to keep hidden lest it interfere with my avowed aim to be the "really good mother" or "perfect mother" portrayed in the dozen or so books I had studied so avidly while eagerly awaiting my first child.

As the "perfect mother" of my books — the expert in establishing a rapport with her infant — I soon found I was becoming a twenty-one year-old drudge whose maternal responsibility consumed every waking hour in an endless dizzying devoted round of laundering, changing, feeding, walking and fussing over the new arrival.

In an all encompassing effort to follow every rule laid down for creating the proper atmosphere for the baby, I lost sight of the fact that my husband, George, and I were the same people we were before our baby's arrival. George still required the comforts of a decently run home, and, the companionship of a reasonably relaxed wife. I myself missed the stimulating activities in our church and community which I felt necessary to abandon in order to devote my full talents to the newcomer.

A chance remark by an elderly neighbor lady marked the turning point in my thinking and in my career as a homemaker. "Rosemary,"

**Nelson's
Real Estate
All Kinds of Insurance**881 Main 395-4420
Antioch, Illinois**Lake Villa News**By Mrs. Fred Bartlett
Lake Villa, El. 6-5372

Lake Villa — Don't forget to make your reservations early for the VFW New Year's dance to be held at the VFW hall 800 Line Road and Grand Ave. in Lake Villa. Music will be furnished by the "Bill Fringle" orchestra.

About 150 children and their parents attended the children's Christmas party given Sunday by the Lake Villa VFW Auxiliary. Children of the Post members, Lake Villa Volunteer Police, Rescue Squad and Foremen were also present. Santa was there and presented each child with a gift. The children also received ice cream, cookies and pop. Christmas carols were sung. VFW Auxiliary President Frances Barnstable would like

she said, "try to remember that this baby has come to live with you, not with him." This offhand comment jolted me back to the world of common sense.

Gradually I learned to spend less of my time hovering over my son and more of it getting the rest of our lives back in balance. Soon I had the added good fortune of being blessed with four more youngsters, each requiring a full measure of my efforts and attention. I learned to spread my time and interests. I learned to include the all important man I married, the precious and priceless children with whom we'd been blessed, the home we all enjoy so much, and even myself. Now, after eleven years of motherhood, I can say that functioning as a person as well as a mother adds to the self-confidence which one must have to be a successful homemaker.

My selection as Mrs. America — an award that symbolizes home-making skill as well as all of the many personal qualities so important to daily living — has reinforced my fervent hope that I have succeeded in creating a home and family in which mutual respect between both parents and all the children make for a climate of love which cannot be learned from rule books.

to thank everyone who helped to make the party a success.

The VFW Auxiliary is collecting food for a basket for a needy family. Anyone wishing to donate a can of food or sugar, coffee and flour, can leave it at the home of Mrs. Florence Peterson, Cedar Ave., Lake Villa, or call her home, El. 6-6401.

Mr. and Mrs. Elmer Keisler and family of Antioch were visitors Sunday at the home of Mr. and Mrs. Frank Slazek, Sr.

Mr. and Mrs. William Birthrong, of Farmington, New Mexico, are receiving congratulations on the arrival of their second child, a daughter born December 4, at 5 p. m. The Birthrongs were formerly of Lake Villa. Mr. Birthrong was employed at the Eckoff Gas Co., and Mrs. Birthrong at the IGA store in Lake Villa. They also have a son.

Mr. and Mrs. Bernard Schneider and a few friends attended the football game in Chicago recently.

Danny Slazek, stationed at the Marine Base at Camp Pendleton, San Diego, Calif., is spending a leave with his parents, Mr. and Mrs. Frank Slazek, Sr.

The Masters and Mates of the Lake Villa Methodist Church will meet Saturday, Dec. 16, at 8 p. m. in the church on McKinley Ave. The project for the evening will be to decorate the church for the Christmas pageant to be held Sunday, Dec. 17, at 7:30 p. m.

The Lake Villa Salvation Unit will again give gifts to two rest Homes, the Lake Rest Home and the Venetian Manor Rest Home. Gifts will include fruit, candy, cookies and tobacco. Last year gifts were given to 72 patients.

They will also give a basket to a needy family. This is made possible through donations from a letter appeal sent out and by money collected from Doughnut Day sales.

Mrs. Clarence Blumenschein, Mrs. Fred Bartlett, Sr., and Mrs. Williams and son, Randy, were Kenosha shoppers Wednesday.

Mr. and Mrs. Lester Hamlin spent a few days visiting Mr. and Mrs. Allan Hamlin and her daughter at Minneapolis, Minn.

Rehearsals for the Christmas Pageant to be held at the Lake Villa Methodist church will be Saturday,

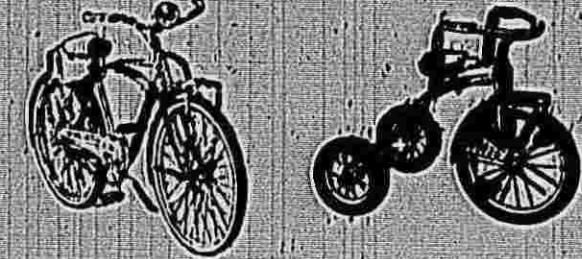

Dec. 16, at 1 p. m. The pageant is under the direction of Mrs. Gerald Robinson and will be given Sunday, Dec. 17, at 7:30 p. m. at the Methodist church.

Last year, according to the U. S. A., \$15 million worth of U. S. baby foods were shipped overseas. This is double the amount exported in 1950.

Stolen one hen duck, Friday night. Parents of thieves may come and get drake so they will have a pair. — Republican, Stanley, Ws.

Lindenhurst News

By Mrs. Bernice Bernau
Elliot 6-5449
Women's Club Meeting

Electoral officers will take place tonight (Thursday), Dec. 14, when the Lindenhurst Women's Club meets at the Civic Center at 8 p.m. Nominated for president are Mrs. Paul Ireland and Mrs. Ramon Verdi; vice-president, Mrs. Harold Sokup and Mrs. Warren Frontzak; secretary, Mrs. William Guski; no opposition; treasurer, Mrs. Floyd Stanley and Mrs. Harold Buerster; executive board, Mesdames Dorothy Thompson, Mille Caldwell, Nancy Kleffner, Jenny Volpentesta and Esther LaChance. Two are to be elected.

Only paid up members will be allowed to vote, so if you want your vote to count, be sure and see that your dues are paid up.

A pot luck supper for members and their husbands will take place after a short business meeting. Mrs. Hank (Erlene) Pearce is chairman.

Women's Society Meeting

The second meeting of the Women's Society of the Evangelical United Brethren Church on Beck Road is scheduled for Wednesday, Dec. 20 at 8 p.m. in the home of Mrs. Paul Blomquist at 2407 East Sunset Lane. All ladies are cordially invited. Refreshments will be served.

The women on the steering committee are Mrs. Adolph Antonacci, 614 Green Briar Lane, chairman; Mrs. Richard Gorski, Plum Tree Road, secretary; and Mrs. James Holcom, Beck Road, treasurer.

For more information regarding the Society, call Mrs. Gorski at Elliot 6-5326.

Rummage Sale

The Auxiliary to the Lindenhurst Sportsmen's Club is sponsoring a rummage sale Saturday, Jan. 13, at the B. J. Hooper School on Sand Lake Road in Lindenhurst. Hours will be from 9 a.m. until 5 p.m. Mrs. Ed Dragoon, chairman, will be glad to arrange pick-up if you will call her at Elliot 6-5326.

This should be welcome news to parents whose children get too many toys. Just pack the old ones they no longer want and let some other child enjoy them.

Men's Club

The slate of nominated officers of the Lindenhurst Men's Club for 1962 is incomplete. Lyle Mercer has been nominated for president; Tony Drago and Jim Hartwig for vice president; secretary and treasurer are still open; executive board, Bill Kaub and Jim Hartwig; sergeant-at-arms, Milton Lazansky and Charles Schriver. Nominations will be taken from the floor at the next meeting to try and fill the offices. So many men are competent but not eligible since they haven't been members for the past year, which is a requisite.

Lyle Mercer is chairman of the New Year's Party that will be at the Lindenhurst Civic Center. Frank Cuden and his orchestra have been hired for the affair. Art Nelson and Charles Schriver are on the committee.

The Christmas party for the children of paid up members of the Men's Club and the Women's Club will be Thursday, Dec. 21, at 7 p.m. at the Lindenhurst Civic Center. There will be gifts for all the children and refreshments will be served.

Building Committee

Barry Kleban, chairman of the Building Committee, is calling a special meeting of the representatives of the organizations of the village for next Monday evening.

Thor Neumann represents the Lindenhurst Men's Club; Mrs. James Hartwig, the Lindenhurst Women's Club; Mrs. Floyd Stanley, Ivy Caner League; Mrs. Hubert Bechtol, the Lindenhurst Garden Club; Paul Hunt, Cub Scouts; Jack Springer, Boy Scouts; Police-Association, Russell Bethel; Ron Coles, the Lindenhurst Junior Police; Bob Malar, Lindenhurst Sportsmen's Club and Auxiliary. Brownies and Girl Scouts have not named a representative as yet. Bud Kleban represents the eleven co-signers of the mortgage.

Mrs. Bechtol is program chairman of the Civic Center. To find out open dates, fees and to make reservations call her at Elliot 6-5215.

Prince of Peace Church Notes

The annual Christmas party for the children of the parish and their parents will be held next Sunday afternoon at 1:30 p.m. in the church. The committee has arranged a fine program as usual. Santa Claus has scheduled an appearance, so it won't be necessary for you to run all over Waukegan or Chicago to find him.

The admission is as it was last year. One article of clothing per family, for the babies of St. Vincent's Orphanage. Especially needed are diapers, training pants and T shirts. You are asked not to donate toys.

Flower Collection

The members of the Altar and Rosary Society will take up a collection after all the masses on Sunday for flowers and decorations for the Crib.

Coffee Bands

December 30 is the last day that the coffee-makers can be obtained with bands from Hills Brothers coffee. If you have any, please turn them in at the church as soon as possible, or call me and I will arrange to pick them up.

Masters and Mates

The Masters and Mates of the Community Methodist Church in Lake Villa will decorate the church

and trim the tree when they meet Saturday evening at 8 p.m. Rev. and Mrs. Gerald Robinson and Mr. and Mrs. Ed Thamer are on the committee.

There will be a dress rehearsal of the Christmas Pageant presented Sunday night at 7:30 p.m. Refreshments will be served.

Christmas Pageant

The annual Christmas pageant will be presented at the Community Methodist Church on McKinley Drive in Lake Villa Sunday evening, Dec. 17, at 7:30 p.m.

Main characters will be Mr. and Mrs. Troy Brown, representing Mary and Joseph; Sandra Cremin, Angel; Lynn Chmelir, the Inn Keeper's wife. The Three Kings will be portrayed by John Romer, Robert Schroeder and Jack Mahoney; Craig Alderton, Herod.

Mrs. Connie Rox will be at the organ; Mrs. John Murphy and Mrs. Gerald Robinson are the two soloists; Miss Jane Wolff and Miss Sandra Cremin directed the Cherub choir. The Wesley choir also will sing. The two groups number 45.

Mr. and Mrs. Ernest Nielsen of Venetian Village and their three children Ernest, Susan and Gregory are the Christian family representing the congregation.

Scenes of the nativity will be re-enacted.

Everyone is invited to attend the open house in the Fellowship hall downstairs after the pageant.

4-H Daisies Seniors
The Lindenhurst Daisies met at

Marianne Smith's home last Thursday evening. She gave a demonstration on tools for sewing and Mrs. Andrew Weisberg, 4-H leader, gave a talk on the changes in basic sewing.

On November 28 Carolyn Westberg, Marianne Smith, and Loren Lee Lewis got together and discussed activities for the coming year.

On Saturday, Dec. 16, the girls will make cookies and distribute them to the patients at Downey Hospital. (I have tasted the girls' baking, and they are a credit to their leader.)

The next meeting will be at Loren Lee Lewis' home on December 23.

RECEIVED

Lee Lewis' home, 222 South Valley Drive, Dec. 21, at 7 p.m.

Radio Quiz Program

That follows from the radio quiz program that calls every locale but ours, finally called Mrs. Hubert Bechtol last week. But Zeima didn't have that recipe handy, so she lost out on \$39. Zeima was in bed with the flu at the time, so the call didn't help any.

Teenage Club

Approximately thirty boys and girls attended the Teenage Club meeting Sunday night at the Lindenhurst Civic Center. Dancing was at a minimum, but table tennis and pool were played. This should

make the donors happy. They all enjoyed the good old game of musical chairs. A little rough, but lots of fun. A hot dog eating contest, with hot dogs on a string, was fun, too.

Dudley Mertes and Bob Spiegel, the sponsors, were happy to see a few 16 and 17 year olds attending. They hope more and more boys and girls of all ages will attend.

RECEIVED

The Christmas party on Tuesday, Dec. 19 from 7 to 9 p.m. will be a good time to get acquainted. "Santa Claus" may be there, if he can make it.

The ping-pong tournament will start at the January 7 meeting. Starting in January, the club will meet the first and third Sundays of every month from 6:30 until 9:30 p.m.

Shop at Home?

"A sensible warning which might save many of us some money was issued recently by State's Attorney Martin J. Corbel.

"His advice concerns buying products and services from strangers.

"Many of us are painfully aware of how expensive that 'cheap' job of barn painting actually was after the first rain came and washed off the concoction of aluminum paint and kerosene the man used. Unfortunately, we never saw him again. We probably never will."

"Or how about the time we paid the fellow for cleaning out the septic tank only to find we could have had the job done for half price by a local person?"

"It's been said 'there's a sucker born every minute.' If this is true, and it probably is, there are two sharpies born to fleece every sheep."

"Buy at home" is a familiar slogan. All too often many of us are skeptical of the idea because we feel it is a ruse used by local merchants to exert competition.

"Few would deny that our local businessmen like to keep our dollars

in our community. Do you know of any community which doesn't?"

"But to keep from being victimized is another arguing point for buying at home."

"If a man sells you something and you see that man every day, he is not likely to misrepresent his service or product. If something seems unsatisfactory after the purchase, it's a short walk to his store."

"Your local businessman wants satisfied customers. Their continued business depends on them."

"On the other hand, what does a fly-by-nighter stand to lose if you tell your neighbor about the 'skinning' to you from him—after he has his money?"—Vandalia Union.

"Some Careers are carved; others chiseled."—Tri-County Record.

How to Save a Life**BROKEN BONES**

By Robert H. Kennedy, M. D.
(When someone is struck down and badly injured in an accident, first aid, given before a doctor can get to the injured one, may save his life. Everyone should know what to do in these emergencies. The following article, prepared as a pub-

lic service by the American Mutual Liability Insurance Company, tells what to do in one serious instance. It is one of a series appearing in this newspaper.)

The most important thing to remember when someone needs first aid for a broken bone is that the bone must be kept motionless.

This is done with splints and even the layman can apply an effective splint if he has the basic understanding of what to do and why he must do it.

Every broken bone is a fracture. In other words the soft parts of the body around the bone—muscles, nerves, blood vessels—are injured, and this injury can be as serious as the break of the bone itself.

The splint should be applied before any attempt is made to move the victim. The purpose is to keep the broken bone and the soft parts around it from being damaged further through motion and to reduce pain and discomfort for the victim.

The splint, in the form of a stick or board, or in the case of a broken wrist a rolled newspaper (from the

News of Wilmot

By Mrs. Herman Frank

Mrs. Floyd Gygor, Jr., and family, Trevor, Mrs. Ralph Orr and family, Waukewan, Mr. Stanley Brown and family, McHenry, spent Sunday afternoon with Mr. and Mrs. Harvey Brown.

Mrs. Frank Mack, Jr., is a patient elbow to the fingertips, should be bound tightly to the broken bone so that it cannot move.

Probably the most common break in a bone is in the wrist, resulting from a fall on the outstretched hand.

How can anyone but a doctor tell when a bone is broken? Sometimes he cannot, for sure, without X-rays. But the symptoms are swelling, black and blue discoloration and simple appearance of the bone, the latter often leaving little doubt that there is a break.

Sometimes, as in the case of a broken wrist, pain is not severe. Trying to move the bone or those near it, such as the fingers in a wrist break, usually causes a lot of pain when the bone is broken.

Even if there is no assurance that a bone is broken, though, you should give first aid treatment for a break, as long as there is a chance of one. Don't move the patient until the bone is splinted, and this should be done immediately. In the case of an injured wrist, it can usually be safely assumed that there is a break if there are symptoms of swelling, black and blue coloring and a twisted or distorted appearance to the wrist. Wrist sprains are quite rare. Ability to use the hand is no guarantee that the wrist is not broken, either.

Almost any broken bone will have to be set by a doctor, with anesthesia. The purpose of first aid is to get the victim to the doctor with the injured limb saved from further damage in transit and at a minimum of pain and discomfort for the victim.

This means application of a splint right away, in the position in which the bone is found, and then getting the victim to a doctor, or a doctor to him, as quickly as possible.

Keeping your head and remembering the simple need and means of applying a splint are first and foremost. A broken bone and a fracture are exactly the same. It is almost impossible for a bone to be broken without injury to the soft parts surrounding it. The latter may be more serious than the break itself. Care must be taken.

at Burlington Memorial hospital. Mr. and Mrs. Frank Zarnstorff, Sr., Mr. and Mrs. Herman Frank were Sunday afternoon and evening guests recently of Mr. and Mrs. Roy Kufalk in Antioch.

Mrs. Rose Daniels, Mrs. Ronald Cates and family were Sunday visitors of Mr. and Mrs. Bob Lois.

This Christmas give her a 32-minute vacation from dishes every day . . .

Give her an electric dishwasher

Let's face it—most wives don't like doing dishes any better than you do. That's why the gift that saves your wife more than one-half hour of dishwashing drudgery every day is a gift she'll appreciate every day for years to come.

NEW PORTABLES GET DISHES CLEANER THAN YOU CAN WASH THEM BY HAND

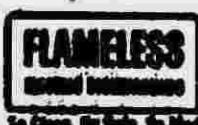

Today's dishwashers (portable, too) preheat wash and rinse water to grease-cutting temperatures hotter than ever gloved hand can stand. Automatically the dishes, silverware and glasses come out sparkling, hygienically clean. Roll-around portables are ideal for apartments because they need no permanent plumbing connections, roll out of the way when not in use.

BEAUTIFUL BUILT-INS AUTOMATICALLY DO ALL THE DAY'S DISHES AT ONE TIME

Big capacity built-ins even get pots and pans shining with a gentle scraping beforehand. And you'll never again see dust, lint or dish towel streaks because drying is done only in pure-clean electrically heated air. More than a great gift, a built-in dishwasher is a good way to begin if you've been planning to modernize your kitchen.

You'll have more electric dishwasher models to choose from if you see your appliance dealer soon.

RAMBLER SALES HIT ALL-TIME HIGHS FOR OCTOBER AND NOVEMBER

This Season's Evergreens Added to Christmas Decor

By Roland O. Smith

Many times we overlook one possible source of Christmas greens for decoration. This source is our own front yard. Most evergreen shrubs need a certain amount of pruning each year to re-share the plants and to keep them within bounds for their landscape situations. The spreading evergreen shrubs are ones that often grow too big for site. These are pruned by cutting the long ends back to side shoots. Some of the branches

pruned work well in table decorations and other ornamental arrangements.

The juniper and Arbor Vita branches hold their needles well, but the Yew have a tendency to drop their needles after a short time. The Circular 576, 'Evergreens, Their Care and Maintenance' tells how to prune evergreens and is available at the county agent's office in the courthouse at Kenosha.

Is there a difference in the various kinds of evergreens offered for Christmas tree sale? There are differences in trees as to their ability to hold the needles and in strength and thickness of branches. The balsam fir has been used for years and in some places was the only one accepted as a Christmas tree. With the faster growing pine coming into acceptance, we find that very few plantations are growing the balsam fir. The fir has a very pleasing fragrance and the needles hold to the tree a long time.

The spruces—white, Norway and black, have prickly needles about one-half to three-quarters inch long. These needles don't hold as well as the fir, but the trees are well formed and have full, well spaced branching. Generally, the fragrance is good, although some people object to the odor of white spruce.

All of the pines hold their needles well through the Christmas season. Of the pines, the Scotch pine probably has the best branching arrangement. It has stiff needles that are one and one-half to two inches long with a dark, blue-green cast.

The white pine has slender, flexible needles about two to four inches long and have a light green color. It has a tendency to be an open branched tree, so filling in of branches may be necessary.

The Norway Pine has needles about four to six inches long. The branches are stiffer than the white pine, but are flexible. The color is a darker green than white pine and the tree is somewhat open branched.

A good many of the trees have been sheared the last two or three summers. This produces a thicker and less open type tree. This is especially helpful in making a nice Christmas tree of the pine.

The Christmas tree will last longer if it is kept from drying out. Most tree stands have a water container and this should be kept full. Place the tree in an area of the room that is not too close to a hot air register as this, too, helps to dry out the needles. A dry tree is more of a fire hazard than one that has been watered.

Farm Journal says: "Our country has become the chief dispenser of the great principles of human liberty: the Judeo-Christian concept of the dignity of man; the right of the individual to choose rather than live under socialism; the right of free enterprise; freedom of speech and assembly; the right to vote; the right to own property; the right to worship (and believe in doing so)."

"We've got to lead the fight for these ideas. And we can't do much leading if we don't guard our strengths right here at home."

A man could retire nicely in his old age if he could dispose of his experience for what it cost him.—Globe-Free Press, Grand Junction, Iowa.

Library Full of Christmas Books

The Antioch Township Library has help to offer in the celebration of Christmas. The traditions of Christmas can best be handed down to our children through observance in the home and through the many books that tell the Christmas story. 'The Christ Child' by Maud and Miska Petersham, is a beautiful story to read to your child in the Christmas season. It is the story of the Nativity as told by Matthew and Luke.

Edward Wagenknecht's 'Fireside Book of Christmas Stories,' Elva Smith's 'Christmas Book of Legends and Stories,' and Dorothy Wilson's 'Family Christmas Book,' are among the many collections of Christmas stories available at the library.

One of the enriching qualities of our American Christmas is the blending of customs from many nationalities. 'Christmas and Its Customs' by Christina Hole, 'Christmas Costumes Around the World,' by Herbert Wernecke, 'Christmas Everywhere,' by Elizabeth Sechrist, and 'Christmas Stories Round the World,' edited by Lois Johnson, are among those books which tell about Christmas celebrations in Europe.

Special items like 'Stories of Christmas Carols' by Ernest Emurian, and 'The Story of Jesus in the World's Literature' will be helpful to program planners.

For those who enjoy making their own decorations and gifts, 'The Christmas Tree' by Daniel Foley, 'Alcoa's Book of Decorations,' 'Toys to Sew,' by Charlotte Davis, and a host of other books of handicraft and sewing will be fruitful.

'All the news of Antioch and vs. Christmas Tree' by Daniel Foley, 'Alcoa's Book of Decorations,' 'Toys to Sew,' by Charlotte Davis, and a host of other books of handicraft and sewing will be fruitful.

Participation by the nation's electric utilities in a nationwide warning system, operating through transmission and distribution lines, has been recommended by the Edison Electric Institute. Tests of such a system are to be held in Michigan.

SCOUT NEWS

GIRL SCOUTS
By Mrs. Raymond Claffy
EL. 6-5886

Intermediate Troop 201 of Grass Lake made 36 puzzles cut from old Christmas cards and sent them to Condell's Hospital for the Children's Ward.

There are 22 girls in the troop and their leader is Mrs. Earl Beese and her co-leader is Mrs. Clyde Queen.

Mrs. Mary Brush and Mrs. Charlotte Queen, both of Antioch, have recently completed 10 hours of Camping Leadership under the direction of Miss Margaret Lund, Executive Director of Lakeview Council. The installation was held at Camp Morrison.

Fox Lake Leaders Association held its regular monthly meeting at Camp Morrison in the form of a Christmas party on Dec. 6, at 10 a.m. to 1:30 p.m. They had a delicious turkey dinner on a Christmas decorated table with a centerpiece in the form of a church.

Mrs. Lorraine Boelke and Mrs. Lichaczewski, leaders of Troop 208 of Big Hollow School made corsages for the 11 leaders attending and their Neighborhood Chairman, Mrs. Dorothy Siebert.

A short business meeting was held and then they sang Christmas carols around an open fireplace and exchanged gifts. Later they drew a name and the lucky winner received the centerpiece from the table.

It has been announced that a new Brownie troop is being organized at Antioch Grade School. Twenty-two girls have applied for membership. The leader will be Vi Beattie of Tiffany Road in Antioch. Her co-leader will be Mrs. Art Meyer. They have a committee of four ladies with Mrs. Wayne Polsgrove as chairman. Their investigation is being planned for the first week in January.

BROWNIE TROOP 117
By Mrs. Pearl Kapell
Brownie Troop 117 had its award

dinner Sunday night, Dec. 19, at the Channel Lake School. Two new members, Jeanine Waters and Marlene Scanlan, were welcomed into the troop. World pins were awarded to Christine Chase, Helen Zobis, and Susan McKinney. Second year stars went to Alicia Blerman, and Colleen Ward; one year stars went to Patty Burnette, Kathy Irmen and Mary Wlezorek.

After the ceremonies, a pot luck dinner was served.

HUMAN NATURE

There is a story making the rounds in the columns of small-town newspapers which seems particularly illustrative of human nature, American style:

"A young man, born in a public housing project, attended public schools, rode in a free bus and enjoyed meals on a free lunch program. He did a stint in the Army, and upon discharge retained his national service life insurance and enrolled in his state university, working part-time for a government agency to supplement his GI education allowance.

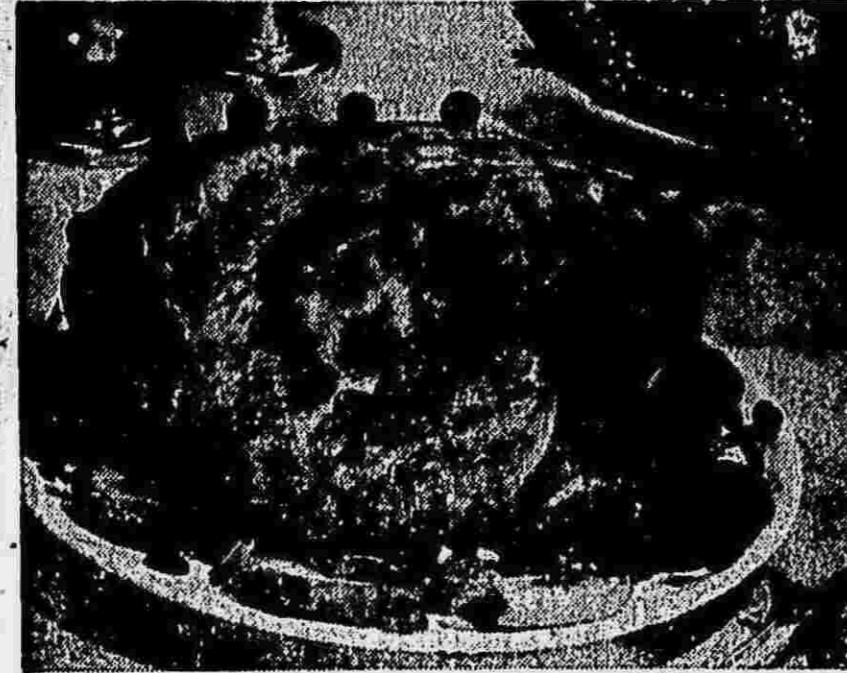

"He bought a farm with a Federal loan, and put part of it in a soil bank so he could pay it out. His county agent showed him how to terrace and build a fish pond. The government guaranteed him a profit with price-supports and he prospered.

"He moved to town, joined the chamber of commerce, went in business on money borrowed from a government small business loan agency, and labored for Federal appropriations for industrial projects for his distressed area, and for a dam to generate current for an REA project. His children went to a free school, with free busses, books and bread, and his father and mother were comfortably retired on their Social Security old-age benefits.

"Then one day he wrote his Congressman: I protest these high taxes, and the waste of government money. I am for rugged individualism, and demand a return to the Constitution and States' Rights." Given to Pinckneyville Democrat by Bill Millikin, Sr.

Antioch News classified ads bring results.

Holiday Party Ham

A beautiful baked ham, thinly sliced, makes wonderful holiday party fare. It is especially festive when it arrives at the table with a golden glaze of maple-blended syrup, decorated with red maraschino cherries and is surrounded with shiny apple slices. To make the apple slices pictured here, combine $\frac{1}{4}$ cup of maple-blended syrup with a dash of salt and add rather thick slices of three cored but unpeeled apples. Cook apples in the syrup, covered, about 5 minutes... then uncover and cook until tender and transparent. These are delicious hot or cold.

Glazed Holiday Ham

1/2 cup butter or margarine 1/2 cup (about) red maraschino cherries

1/3 cup Log Cabin Syrup 1/4 cup orange (or pineapple) juice

Whole ham, partially cooked and skinned

Melt shortening. Add maple-blended syrup and juice; blend. Bake ham in slow oven (325°F.) until done, basting with syrup and juice mixture frequently during last hour of baking time. With maraschino cherries, make a holiday wreath: a bow of citron or orange peel. Serve with glazed apples and sprigs of watercress.

SYMBOLS OF THE TIMES

"I do not pick up strange hitchhikers for a couple of reasons. One is the frequent reminder in news stories that robbery and murder are often committed by such persons. The other is my firm belief that unto each individual attaches the responsibility of doing something to help himself along."

"The hitchhiker standing idly by the roadside and exercising only his thumb may never get to his destination; but if he walks in the desired direction, he'll finally get there."

"When you stop to think of it, how many hitchhikers do you see walking? Most are standing, slouching."

"Saturday enroute home from St.

Louis we saw the ne plus ultra (than which there is no whicker); two young men—not mere boys—were lying beside the route, one's head propped on the other's belly, and they were flanked by a big hand-drawn sign 'Chicago, Please.' "Somebody that indolent can starve right there and never be missed in a productive society."

Pana News-Palladium.

Helen Keller Recommends Action

"Our will to act becomes vigorous in proportion to the frequency and definiteness of our actions and the brain grows to its exercise," says Helen Keller, still actively serving as Counselor for the American Foundation for the Blind.

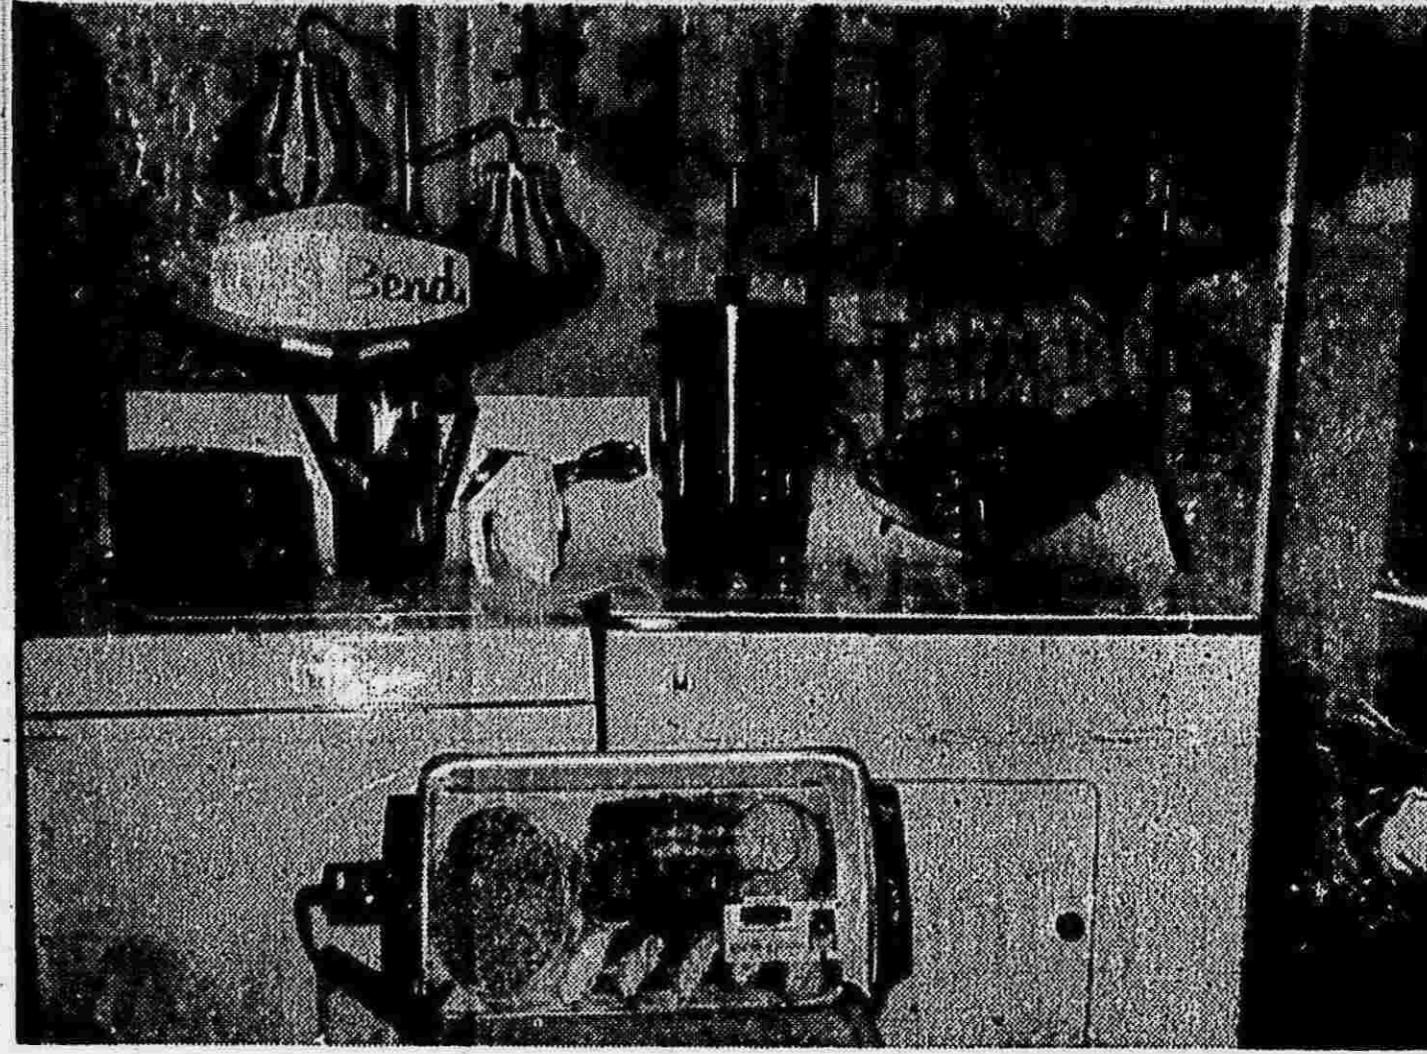

Challenge Parents
How much do parents really know about higher education in America, about the institution in which their children are enrolled, and how well do they know it? Somehow parents must be brought to a better understanding of how a large University such as Illinois conducts its day to day business. Parents must somehow be involved more than ever before in the ongoing program of a great University so that interests will be beyond the transitory period when their offspring are students. Parents must have more and better information about every aspect of a university's ongoing program and through such information be motivated to lend their support—intellectual, physical, moral and financial—to the whole structure of higher education upon which may well hinge the progress, the well-being, perhaps even the survival of our way of life." —Charles E. Flynn, Ast. to the President, University of Illinois.

BLIND SCHOLARSHIP WINNER FROM 11 STATES

The twenty blind students who this year received general scholarships from the American Foundation for the Blind come from twelve different states and the territory of Puerto Rico. The states are: California, Connecticut, Illinois, North Carolina, Florida, Missouri, New Jersey, New York, Ohio, South Carolina, Tennessee, Texas.

each side to the evidence produced by the other side. You may well come away believing that most of these objections are frivolous, and that the rules of evidence law are outmoded. "Relics of days gone by," serving only to exclude proper evidence for technical reasons.

The rules of evidence enforced in Illinois courts are the product of many years of experience and growth. These rules are found in our statutes and in the decisions of the Illinois Supreme and Appellate courts.

If you understand some of the more basic principles underlying our evidence law, you will more readily appreciate why lawyers make objections during a trial, and why the judge often sustains their objections and excludes testimony or evidence.

Relevancy and Materiality
First, evidence must be relevant and material to the issues raised in the case. When a lawyer objects that evidence is "immaterial or irrelevant," he means that the evidence has nothing to do with the facts which are in dispute in the first instance.

Authenticity
The third basic principle of evidence law is that of authenticity. When a lawyer objects that "the proper foundation has not been laid" for testimony or documents offered, he means that it has not yet been shown that the evidence is authentic, the "real thing."

For example, if an account book is to be introduced into evidence, the lawyer cannot simply hand it to the judge or jury and say, "This is my client's daily ledger." First he must have his client's accountant or ledger clerk, take the witness stand, identify the book and testify as to how entries were made during the normal course of business.

The other party to the case may cross-examine as to this preliminary testimony. Thus, requiring a "foundation" helps insure against the introduction of false or inaccurate evidence.

Many volumes have been written on the subject of evidence law, and the myriad of evidence problems which can arise during a trial staggers the imagination. But these three principles are the basis for much of our evidence law in Illinois, and their soundness can be appreciated by one and all.

This column is written to inform and not to advise. No person should ever apply or interpret any law without consulting his attorney. Even a slight difference in the facts may change the results under the law. (The names used in this series are fictitious.)

If you help during the CARE Food Crusade, CARE will be able to deliver 450,000 \$1.00 packages to aid the most needy refugees of Hong Kong. Your dollar will deliver one of these with your name and address on the package as the donor. Help through CARE, 1 S. State St., Chicago 3, Ill.

A cup of milk, a bun, a bowl of rice can be a feast to millions who have never known the luxury of a full stomach. You can bring the nourishment they so desperately need, and a new life and hope, by joining CARE's Food Crusade. CARE, 1 S. State St., Chicago 3, Ill.

The number of state-chartered banks in Illinois is in excess of 570. Resources of these banks amount to approximately \$6,000,000,000. Nearly 500 savings and loan associations, over 800 consumer finance companies and about 1,500 credit unions are licensed by the state.

case, or that the evidence has no value in helping the judge or jury determine the facts. He contends that the evidence offered, even if correct, is not pertinent.

For example, if one of the issues in a case is whether Joe Hill was careless in driving his car on June 12, when he ran into John Carey's car, it is irrelevant that Joe is careful in using a rifle, and it is immaterial that John's car is green. Thus, the principle of permitting only relevant and material matters to be introduced in evidence is a timesaver, and helps to keep trials free from unimportant issues, which might tend to obscure the real issues in the case and to mislead the judge or jury.

Reliability
The second basic principle is that of reliability. The most important application of this principle is in the so-called "Hearsay Rule." When a lawyer asserts that testimony is "hearsay," he means that the witness is testifying to what someone previously told him.

The witness has no personal knowledge of the fact he is testifying to; all he can say is that someone else told him about them. Hearsay testimony is excluded because of its fundamentally unreliable character, and because there is no opportunity to cross-examine the person who made the statement in the first instance.

Authenticity
The third basic principle of evidence law is that of authenticity. When a lawyer objects that "the proper foundation has not been laid" for testimony or documents offered, he means that it has not yet been shown that the evidence is authentic, the "real thing."

For example, if an account book is to be introduced into evidence, the lawyer cannot simply hand it to the judge or jury and say, "This is my client's daily ledger." First he must have his client's accountant or ledger clerk, take the witness stand, identify the book and testify as to how entries were made during the normal course of business.

The other party to the case may cross-examine as to this preliminary testimony. Thus, requiring a "foundation" helps insure against the introduction of false or inaccurate evidence.

Many volumes have been written on the subject of evidence law, and the myriad of evidence problems which can arise during a trial staggers the imagination. But these three principles are the basis for much of our evidence law in Illinois, and their soundness can be appreciated by one and all.

You've got nine Chevy II models to choose from. This is the Nova 400 Sport Coupe.

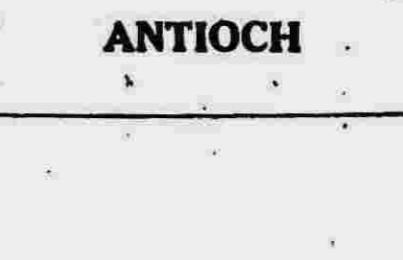

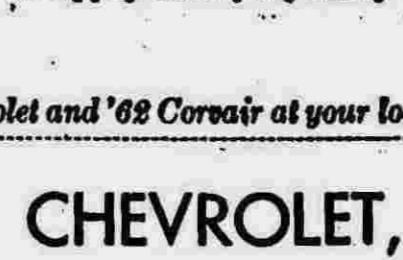

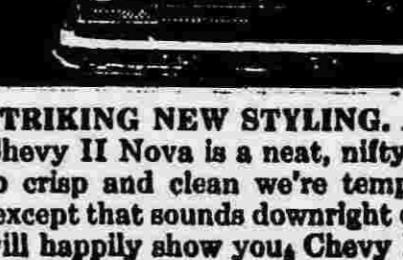

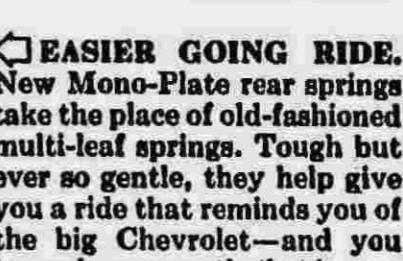

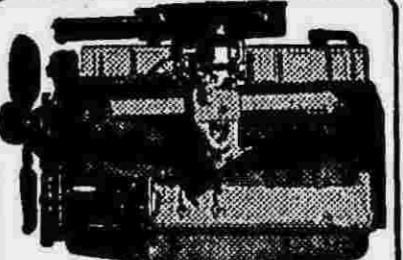

Luxury and low price were never blended so beautifully

Who but Chevrolet could've done it? Price, spice and everything nice! A car that's bustin' with room, zoom and richness. One that's deep in convenience and comfort. One that won't let you squander a thing but affection. Look over the beautiful new Chevy II Nova here, and light out in it at your dealer's.

NEW CHEVY II NOVA

• SIX WITH V8 SCAT.

You design a throaty Six (120 hp. strong) with special refinements like seven main bearings. You take your Six and team it with a car that is hundreds of pounds lighter than the big jobs—and, partner, you've got Go!

• EASIER GOING RIDE.

New Mono-Plate rear springs take the place of old-fashioned multi-leaf springs. Tough but ever so gentle, they help give you a ride that reminds you of the big Chevrolet—and you know how smooth that is.

• RICH REFINED INTERIORS. Here's where you sit in the lap of luxury. Leatherlike vinyl upholstery. Foam-cushioned, of course. Carpeting and scuff mats. Vinyl overhead and chrome trim—the works!

• EVEN BUCKET SEATS IF YOU LIKE. Comfortable, contoured, padded with thick deep-foam cushioning, covered in rich leather-grained vinyl. Yours at slight extra cost in the Nova Sport Coupe and Convertible.

STRIKING NEW STYLING. Any way you look at it, the Chevy II Nova is a neat, nifty fashion plate. The lines are so crisp and clean we're tempted to call them "elegant" (except that sounds downright expensive and, as your dealer will happily show you, Chevy II is anything but!).

See the new Chevy II, '62 Chevrolet and '62 Corvair at your local authorized Chevrolet dealer's
